Good Morning Nate & John...

Tuesday at 11 AM is good for me on strip lots too. We are on!!

Re trash enclosures, we are waiting for the owner's contractor to give him a cost estimate by Wednesday. I'll place some calls to see if we can get it quicker.

Thanks again for the call yesterday about the strip lots. We also appreciate your joining us in feeling that it's time this project moved forward. Let's you and John & I sit down at your first opportunity next week to discuss the options you described. Anytime either Mon or Tue between 10 & 2 works. Or let us know what works better for you.
